Please consider the amendment filed on 12/22/2008 to see if the proposed response would place this application in condition for allowance in the event the holding of abandonment is withdrawn or the application is revived.

If the response would place the application in condition for allowance, please send a return email stating "OK to enter"

If the response would not place the application in condition for allowance, please prepare, but do not mail, Form PTO 303 (Advisory Action), and email the advisory action to the undersigned. I will send the Advisory Action to applicant with the petition decision.

Please respond within ONE (1) WEEK of the date of this email.
